

LP-314-K  
12/01/10

| Item # | Description   | Replacement Part # |
|--------|---|--------------------|
| 1      | LOW WATER CUT-OFF SENSOR                                  | 7100P-852-1        |
| 2      | HIGH TEMP SAFETY SWITCH                                   | 7100P-006          |
| 3      | UPPER TEMPERATURE SENSOR                                  | 7100P-004          |
| 4      | BRAZED PLATE HEAT EXCHANGER                               | 7100P-132          |
| 5      | SEALING WASHER - BSPP NUT                                 | 8600P-044          |
| 6      | THUMB SCREW - HYDRONIC MODULE COVER                       | 7100P-149          |
| 7      | FLEX LINE - EXCHANGER SIDE (w/NUTS, WASHERS)              | 7100P-171          |
| 8      | LOWER TEMPERATURE SENSOR                                  | 7100P-005          |
| 9      | 2" COUPLING - AIR INLET (130K BTU)                        | 7100P-114          |
| 10     | CONDENSATE HOSE   | 7100P-121          |
| 11     | CLAMP - CONDENSATE HOSE                                   | 7250P-215          |
| 12     | HIGH FLUE TEMP SWITCH                                     | VS210              |
| 13     | S.S. HOSE BARB  | 7250P-154          |
| 14     | COUPLING NUT - AIR INLET                                  | 7100P-104          |
| 15     | 55-80 GAL. PLASTIC CABINET                                | 7100P-264          |
| 199    | 199 GAL. PLASTIC CABINET                                  | 7100P-265          |
| 16     | CONTROL BOARD DISPLAY (w/MEMBRANE, BOARD, HOUSING, CABLE) | 7100P-266          |
| 17     | POWER SWITCH  | 7500P-087          |
| 18     | 55-80 GAL. HYDRONIC MODULE BACKPLATE                      | 7100P-156          |
| 199    | 199 GAL. HYDRONIC MODULE BACKPLATE                        | 7100P-135          |
| 19     | FLEX LINE - PUMP SIDE (w/NUTS, WASHERS)                   | 7100P-165          |
| 20     | HYDRONIC HEATING MODULE PUMP                              | 7100P-131          |
| 21     | TEMPERATURE AND PRESSURE RELIEF VALVE                     | TP1400             |
| 22     | CLIP-ON PIPE TEMPERATURE SENSOR                           | 7100P-172          |
| 23     | 55-80 GAL. HYDRONIC MODULE COVER                          | 7100P-134          |
|        | 199 GAL. HYDRONIC MODULE COVER                            | 7100P-136          |

| Item # | Description                              | Replacement Part # |
|--------|--|--------------------|
| 1      | ELECTRONIC BACK PLATE                    | 7100P-102          |
| 2      | CONTROL BOARD                            | 7450P-122          |
| 3      | SWITCH, PRESSURE, BLOCKED VENT           | 7250P-150          |
| 4      | ECS BOARD                                | 7100P-108          |
| 5      | ELECTRONIC MOUNTING SCREW                | N/A                |
| 6      | FIELD CONNECTION BOARD                   | 7100P-083          |
| 7      | 6 PIN TERMINAL BLOCK                     | 7100P-254          |
| 8      | 4 PIN TERMINAL BLOCK                     | 7100P-255          |
| 9      | 3 PIN TERMINAL BLOCK                     | 7100P-256          |
| 10     | ECS RIBBON CABLE (NOT SHOWN)             | 7100P-221          |
| 11     | LOW VOLTAGE WIRE HARNESS (NOT SHOWN)     | 7100P-257          |
| 12     | HIGH VOLTAGE WIRE HARNESS (NOT SHOWN)    | 7100P-258          |
| 13     | HYDRONIC MODULE WIRE HARNESS (NOT SHOWN) | 7100P-259          |
| 14     | SENSOR WIRE HARNESS (NOT SHOWN)          | 7100P-274          |
